Work on Sewer System Progressing

Coleman council at its meeting this week heard a report from Wayne Tizzard, engineer of McLeilan, Underwood and Associates, that work on the installation of the sewer system was progressing favorably. Some slow down has been experienced due to a shortage of pipe, inclement weather and some water problems. Meanwhile work is being pushed on the system's disposal plant.

Town administrator T. A. Collister reported that a meeting with Bruce Ramsay and W. D. Isbister, representatives of the Department of Municipal Affairs and councilors has been called for next week. The meeting is to deal mainly with "better methods of administration for the Crownst Pass district as a whole." Previous meeting with "Pass councils on this matter were held in Macleod. Meetings with other councils have also been arranged by the

government representatives.

The town's finance committee reported that the various departments had almost reached their budgeted expenditure for this year.

A new traffic by-law to embrace and consolidate the present by-law and new regulations is to be drawn up and presented to council for adoption.

Arrangements are now in their final stages of completion providing for the town of Coleman to take over the natural gas operation from Bannister Construction who have been operating the system for the town since its installation. Joe Beigun has been appointed gas man in charge of this utility.

Notices are to be sent to local residents advising they must obtain a permit before installing their sewer systems.

Active Summer for Jur. Forest Wardens

John Dean, Supervisor of the Coleman J.F.W. announces that although regular weekly meetings of the Coleman Junior Forest Wardens (C.J.F.W.) terminated at the end of June, the boys enjoyed a number of summer camps.

Five of the junior boys attended the Forest Warden summer camp at Jarvis Lake, near Hinton, Alberta. Those selected for this camp were Gordon Marconi, Charlie Townsend, Allan Spieyak, John Coccolone, and David Sudworth.

Six of the older boys were invited to act as assistant supervisors at this camp, taking turns throughout the summer. From the non-paid assistants of this year the regular, paid supervisors for next year will be selected. The boys acting in this capacity were Ken Dase, Ron Niemeyer, Larry and Garry Nelson, Richard Dreja, and Laurie Williams.

On the second weekend of August an overnight hiking trip was made into the West Castle River area. Eight of the boys and Mr. Dean camped on the Castle River (W.) after a short hike from the road. There the boys prepared spruce bough beds, lean-to shelters, open cooking fire places and other camp facilities. They also gained some experience working with light pack rations.

The following morning a hike was made over "Barnaby Ridge"

and on into the basin where Grizzly Lake is located. The trip was enjoyed by Doug Usciski, Ken Dase, Larry and Garry Nelson, Tim Jublin, David Venier, Garry George, and Gerald Coccolone.

The "highlight" of the summer for Section Leader Doug Usciski was an all-expense paid trip to Ontario. The Canadian Youth Association invited two Alberta Junior Forest Wardens to attend a conservation camp at 'Camp Kakaka' on Bushnaught Lake near Haliburton, Ont. After consideration of a number of applications the Chief Forest Warden, Mr. T. Whiteley of Hinton, Alta., selected Doug Usciski of Coleman and David Dyck of Pincher Creek as Alberta representatives. Doug travelled by bus to Calgary where he boarded an Air Canada jet for Toronto. He has several rolls of film to show us and some interesting experiences to tell about.

Another active training year is planned for the Coleman Junior Forest Wardens and weekly meetings commenced on September 14, 1965, at the Union Hall at 7:00 p.m.

Mr. Ed Dase and Mr. John Dean welcome any adult who is interested in assisting with the regular supervision of this group. We also expect to increase the membership from approximately 30 boys to around 50.

Bonny Brook Construction Ltd. of Calgary will start immediately to build the 50 by 80 foot cinder block building to house the welcome industry.

17 Liberal Candidates To Run

Eleven Liberal candidates and their campaign managers met with key Liberals in the federal campaign in Red Deer over the weekend. About 50 people attended the meeting. The meeting was chaired by Reg Easton, Federal Campaign Chairman, and dealt with campaign strategy and organization in Alberta.

Mr. Easton said that it was the most enthusiastic meeting held in the history of the Liberal Party in Alberta, and that he was extremely pleased with the calibre of the candidates.

It was announced that Prime Minister Pearson had invited all the candidates to a top level meeting in Ottawa on September 21st to take part in the final planning of the national campaign.

Mr. Easton was asked what Liberal chances were in Alberta. "As far as my committee is concerned, there are seventeen vacancies in Alberta and we intend to send seventeen Liberal members to Ottawa from this province."

Candidates also attended briefings sessions on advertising publicity and campaign organization.

School Board Adopts New Regulations

A new resolution regarding student credits at school was adopted by Coleman Board of Trustees at regular meeting this week. Parents of the school students are to be advised of the new regulation.

The new regulation provides that except for those students who need grade twelve subjects only to complete matriculation or diploma requirements, all other high school students must take a minimum of 2 credits during the school year. If a student drops or is requested to discontinue a course during the school year, he or she will be asked to withdraw from school, if the minimum is then below 25 credits. Should a student not be able to get 25 credits on the time table, he or she must on his or her own initiative and expense enroll in a sufficient number of correspondence courses to make up the required 25 credits.

The matter of students taking time off from school to go hunting was also discussed by the board who agreed that any student following this practice would be expelled from school for a 3-day period.

Night classes in industrial arts and home economics (dressmaking and fabrics) will be held in the

Horace Allen School starting Oct. 18. The courses will be taught by Ken Milner and Mrs. Ada Fortunato. The courses will be held every Monday night from 7 to 10 p.m. and deadline for registration has been set for Oct. 4. The courses will last for ten weeks and a fee of \$10 per course is to be charged and paid in advance. Registrations are to be made with school secretary Mrs. Nora Goulding.

The board accepted with regret the resignation of trustee John Owen who tendered his resignation for health reasons.

The resignation of janitor, Mrs. Freda Taje was also accepted and applications for the position will be invited by the board.

Al Krywolt of Vets. Insurance was present regarding accident insurance for school students. The board decided that the fees charged are to be collected by the agent at a designated time and place.

Principal of the schools, Horace Allen reported that the enrollment at the three Coleman Schools was 663 students to date. Mr. Allen also gave a resume of the organization of the teaching in the schools and the time tables that have been drawn up.

Nurses Feted At Party

Over 30 nurses and Certified Nursing Aides attended a farewell party held at the home of Mrs. Lorraine Krywytz of Coleman recently to honor two departing members.

Gifts were presented to Mrs. Jean Ann Fantin, Reg.N., who has left to reside in Edmonton, and to Mrs. Helen Westley, who is now living in Pincher Creek.

A barbecue and pot luck supper was held for the occasion.

Grand Union Changes Hands

Lawrence and Henry Schlender have this month taken over the Grand Union Hotel. The shares of former owner Vance Caskey of the Merkle Hotel Company who owned the Grand Union were purchased by the brothers.

Lawrence Schlender, who has been operating the Coleman Hotel since last October, when he purchased it, will manage both the Grand Union and Coleman Hotels. Prior to coming to Coleman one year ago Mr. Schlender was in the hotel business at New Sarepta, Alberta for five years. His wife and three children all reside in Coleman.

The cafe at the Grand Union has been leased. Plans during the next year call for considerable renovations and addition of new furniture in the beverage room and hotel rooms.

OF MANY THINGS

(By Ambrose Hills)

Trouble In England

The socialists have now been in power for over nine months in England, and the old story has started again -- austerity and crisis followed by crisis.

Mr. Wilson followed a bumbling Conservative government rocked by a morality scandal. He had the good sense to merely govern, with honesty, he might have kept his party in power for many years.

Instead, he was hell bent on socializing the country, and wherever socialism is attempted, it fails to produce.

Even the Mineworkers Union has grown critical. Election promises regarding the level of coal production have not been kept. The NUR has also censured the government, and one of the charges hurled in their debate was that the socialists had "led us up the garden path to gain our votes." Those who listened to the socialist election promises will remember that the garden path was wide indeed and strewn with promises, including the suggestion that the young home owners should vote Labour in anticipation of 3 per cent mortgages!

Savings in England are dropping. The rapid rise in prices has made the people wonder whether there is wisdom in saving. Some prefer to buy quickly before still further taxes are put on. These taxes, leading to price increases, destroy confidence. It was lack of confidence which swept the socialists out of power before, and will do so again. Lack of confidence comes from shortages and constantly rising prices. It's reported that consumption of beef and veal fell by 13 per cent in the first quarter of this year and lamb by 7 per cent, while total meat consumption was down by 5 per cent. Scarcely the Utopia the socialists had pictured!

It is ironic that here in Canada we are so tempted to adopt socialist schemes which could lead us into the very same difficulties.

OF MANY THINGS

(By Ambrose Hills)

Governments Are Inconsistent

Manitoba's government boasts of the work it has done to beautify our beaches, but the boast is a hollow one, for it also does plenty to mar beauty, too.

I know, because I have a cottage at one of the most beautiful little lakes in the province. One of our major problems is the ugliness created right close to our shores by the government gravel pit, a huge and gaping hole which belches dust all over the place.

Our lake is one of the closest natural beauty spots for Winnipeg people. It can be reached in an hour or less of driving. The government should not be engaged in destroying its natural beauty.

The gravel pit is not the only complaint. Rules and regulations enforced by government inspectors have cost us a lovely public beach, because the owners couldn't afford to have a life guard on duty. Yet government beaches at lakes nearby are not obliged to have such life guards -- at least they have not had them present on any occasion when I have visited them.

Governments often wreck the landscape with the raw gulleys they create needlessly beside their highways. The eastern approach to Neepawa, in Manitoba, is a glaring example. Each spring it becomes a roaring waterway, eroding good top soil and wrecking bottom sand. And at the same time, it fills a lovely creek with silt.

On balance, I sometimes think that as far as our particular beauty spots are concerned, we'd be better off if the government were a thousand miles away.

Jehovah's Witnesses Assembly At Lethbridge

W. L. Krish, presiding minister of the local congregation of Jehovah's Witnesses happily rejoices with 15 local residents in announcing plans to attend the semi-annual Bible based assembly of Jehovah's Witnesses;

INCREASING OUR PRAISE TO JEHOVAH
Sponsored by the Watchtower Bible and Tract Society.

For three days; Friday, September 24th to Sunday, September 26, the Lethbridge Civic Sports Centre will house an expected 550 delegates. This local sports arena, a usual training ground for Southern Alberta athletes will change its pace to training local residents to be more responsible praisers of the Universal Sovereign.

Have you considered how much time that you can make for God? Individually and as family groups we all must satisfy this most basic human desire to praise our Maker. Therefore, Friday evening will highlight Bible discussions and a program for practical scheduling of time for gaining knowledge and making it a valuable family tool.

Mr. W. L. Krish expresses appreciation to be with the delegates as they convene Saturday afternoon to witness the most spectacular and joyful event of every Watchtower Convention — The Baptismal Ceremony.

Mr. Krish acknowledges Jehovah's Witnesses to be the largest single group of preachers in the world, now well over one million active ministers in 194 lands. Therefore, Saturday night will highlight this feature "The preaching work" by an educational program in proper preaching methods.

In their ministry many people ask Jehovah's Witnesses, "If you die, will you live again? Is it possible to see your deceased loved ones again?" Special attention will be aimed at answering these Bible questions for all interested persons by the lecture entitled "What Does the RESURRECTION of the Dead Mean for You and Yours?"

All persons who are interested in this vital subject are cordially invited to attend.

The Canada Pension Plan and its benefits

Here is what
the Canada Pension Plan
will do for people like Mary Todd,
a 22-year-old nurse
who earns \$310 a month (\$3,720 a year).

If Mary's earnings continue at this rate until she reaches age 65, she will receive a retirement pension of \$77.50 a month from the Plan plus \$75 a month from Old Age Security.

Because Mary will have the opportunity of contributing for 43 years, she can have as many as 6½ years of lower or no earnings and still be entitled to the same pension.

Actually, Mary's retirement pension will undoubtedly be more. This is because as Mary advances in her profession and her earnings increase so will her pension. Furthermore, to ensure that all benefits under the Plan maintain their value, they will be adjusted to meet changes in living costs and wage levels before they are paid and changes in living costs after they become payable.

If Mary continues to work and becomes disabled at any time after 1970, she will be entitled to a disability pension of \$83.12 a month until she reaches age 65. From then on she will receive her retirement pension as well as \$75 a month from Old Age Security.

If Mary dies any time after 1967, having contributed until her death, a lump sum payment of \$465 will be paid to her estate.

What will the Plan cost you?

If, like Mary, you are employed and have earnings of \$3,720 spread evenly over the year, you will pay at the rate of \$4.68 a month. Your employer will pay the same amount.

This advertisement is one of a series which relates some of the important benefits of the Canada Pension Plan to individual circumstances.

Issued by
authority of the Minister of
National Health and Welfare,
Canada,
The Honourable Judy LaMarsh.

Early Fall Wedding Is Solemnized

COWLEY HNS — An early fall wedding took place in Foothills United Church, Cowley, when Audrey Elaine, daughter of Mrs. Ruby A. Maufort and the late Mr. Angus Maufort, exchanged double ring vows with Edward George, son of Mr. and Mrs. Alexander Milne of Yucaipa, Calif.

Mrs. Alyre Theriault presided at the organ. Rev. Lawrence Edwards officiated. Miss Colleen Erb was soloist.

The bride was given in marriage by Mr. J. Fauville. Attending her were Miss Anne Elton as maid of honor, and bridesmaids, Miss Pauline Block of Lethbridge and

Miss Sandra Konrad of Vauxhall. The groom was attended by his brother, Mr. Bruce Milne as best man. Ushers were Kenneth Maufort, brother of the bride, and Mr. Tom Milne, brother of the groom.

For her wedding the bride chose a gown of white taffeta with train, trimmed with Guipure lace. Her veil was shoulder-length and the head-piece a rose pouffe with a circle of silver leaves. Her bouquet was of mauve orchids, red roses and ivy.

The bridal attendants were fitted floor-length gowns. Miss Elton chose pink and her bouquet fan-shaped, of lighter pink carnations. Miss Block chose pale yellow with a bouquet of white and yellow carnations while Miss Konrad se-

lected blue and carried a fan-shaped bouquet of white and blue carnations. All wore flowered circlets as headpieces.

The reception was held in the Cowley Community hall. A toast to the bride was proposed by Mr. J. Fauville of Bellevue.

The couple motored to California and Mexico for their honeymoon. For travelling the bride chose a dark green two-piece velvet suit with yellow accessories and a yellow rose corsage. On their return they will make their home in Lethbridge.

Mr. and Mrs. A. Milne, the parents of the groom, were present from Yucaipa, Calif. Other special guests included Mr. S. Irvine and Miss B. Kelly of Fort Saskatchewan. On the week-end Mrs. Maufort, the bride's mother, held open house at her home for friends to view the wedding gifts.

Mrs. Martha Fauville of Coleman, is an aunt of the bride.

Calgary Wedding Of Coleman Interest

Northminster United Church, Calgary was the scene of a candle light ceremony August 21 at 6:00 p.m., when Wealyn Melva Dunford became the bride of Richard John Walter Mather. The bride is the eldest daughter of Mr. and Mrs. Melvin P. Dunford of Calgary and the groom is the younger son of Mr. and Mrs. Maurice Mather of Edmonton.

Mauve and pink gladioli and carnations with candelabra formed a lovely setting for the double-ring ceremony which was performed by Rev. R. A. Moriarty. As the congregation bowed in prayer, soloist, Ann Mather, grandmother of the bride, sang "Prayer Perfect" and during the signing of the register, she sang "Bless This House". She was accompanied by Michael Wildman, organist.

The marriage ceremony included the 16th verse from the Chapter of Ruth in the Old Testament, a special request of the bride. Given in marriage by her father, the bride was radiant in a floor-length princess style gown fashioned in tiers of white chantilly lace, with bodice of illusion net and lily point sleeves. Her elbow-length veil misted from a coronet of pearls. The gift of the groom, a pearl drop pendant and earrings, matched her coronet. Deep pink roses with yellow stephanetti fashioned the bridal bouquet. Matron of honor, Mrs. Anna Jenkins of Cranbrook, aunt of the bride, and bridesmaid Jacalyn MacQuarrie of Coleman, cousin of the bride and Christyann Dunford, sister of the bride, wore fitted floor-length, rose satin gowns with matching head pieces, crystal necklaces and elbow-length white gloves. They carried colonial bouquets of white and pink carnations.

Ava Dunford, sister of the bride was flower girl with a floor-length rose-satin gown featuring fitted waist and bouffant skirt. Her tiny bouquet was made up of tinted pink carnations.

The groom was attended by his brother, Lawrence Mather of Edmonton, his cousin, Lang Jamieson of Regina and cousin of the bride Malcolm MacQuarrie of Lethbridge. Master Teddy Malone of Natal, B.C., cousin of the bride, in formal attire, carried the rings on a white satin cushion with lily of the valley streamers.

Ushering the guests were Spencer Dunford of Coleman, cousin of the bride and Gilbert Mather of Edmonton, cousin of the groom.

For her daughter's wedding, Mrs. Dunford wore a rose-wood lace floor-length dress with white accessories and a yellow corsage. The mother of the groom wore turquoise crepe and lace formal gown with matching headpiece and pink rose corsage.

Grade seven class of Sunalta Junior High School attended the wedding in a group as Miss Dunford was their teacher. One of the students, Neil McCallum, played the wedding march on his saxophone, after the ceremony, as the bride and groom descended the steps of the Church.

The reception was held at the Westgate Motor Hotel with Ronald Jenkins of Cranbrook, uncle of the bride as master of ceremonies. The bridal table was centered with a three-tiered wedding cake, made by the grandmother of the bride, Mrs. Mary MacQuarrie of Coleman. The cake was topped with a bride and groom in a bell ornament and decorated with doves, roses and hearts. It was flanked by candles.

The toast to the bride was given by Rev. R. A. Moriarty and responded to by the groom. Piano solos were played by Delian and Ronald Jenkins Jr. of Cranbrook, cousins of the bride. Clarinet solos

were rendered by Mary-Jo and Alexis Dunford, sisters of the bride. Grandmother of the groom, Ann Mather, sang "Because". She was accompanied by Jacalyn MacQuarrie of Coleman who also played a solo "Ebb Tide". Guests were present from Vancouver, Coleman, North Burnaby, Cranbrook, Edmonton, Winnipeg, Regina, Estevan, Rosetown, Scotts-gard and Natal, B.C.

For travelling the bride chose a white wool fitted suit with cerise velvet top coat and black accessories.

Mr. and Mrs. Mather will reside in Niagara Falls where the groom is on the staff of radio station C.J.R.N. and the bride will teach at Princess Margaret School.

A Statement On Medicare

At Ottawa the subject of Medicare has often been discussed and my position has always been sympathetic to the objective of providing the best medical service for all the people, but I have consistently opposed the features of compulsion in the proposed Federal Government scheme. The individual wants the right to choose his doctor, and the doctor in turn must have the freedom to practice his profession as he best knows how. Hence, any system which takes away these rights is fundamentally wrong. A good start has been made on a workable voluntary system in Alberta and further improvements to retain the voluntary patient-doctor relationship are possible. I have talked with a large number of people in the Macleod Riding as well as at Ottawa, and it is my view that the people, when fully informed, will favor a voluntary system.

Lawrence E. Kindt, M.P.
Federal Constituency of Macleod.
